Hello Exhibitors!

Thank you for entering the Nov. 2017 CPE Trial hosted by Takes 2 to Q Agility. This is your entry confirmation letter; your individual "Final" entry confirmations have already been sent. We have a total of 113 dogs entered for 395 runs on Saturday and a total of 118 dogs entered for 396 runs on Sunday. We will all do our best to move the trial along efficiently while making sure everyone has a safe and successful run and gets their time in the ring. Walk throughs will be timed at 8 minutes all weekend long.

Volunteer Workers: We will be counting on our volunteers (thank you so much!) to help make the weekend go smoothly. Please sign up at the link provided below to help out. Site Details: There are a few rules to follow at High Goal Farm. The pond, barn, livestock, woods and Cerilli house are off limits to all. Anything else that is marked or roped off is also off limits. There is a large field on the side of the agility building for exercising your dogs. Dogs not in the warm up area or in the ring **must** be leashed at all times. No smoking is allowed in the building. No alcohol or drugs are allowed at the trial site. Please clean up after yourself and your dog(s). There will be garbage receptacles for dog waste, cigarette butts, and any other garbage. Please bring water for your dogs. Crating space is limited, so please conserve space by stacking crates if possible and by using high occupancy ex-pens. Please be considerate of folks who will be crating their dogs in their vehicles by leaving the parking spaces adjacent to the building for them. Thanks in advance for complying with the above results. In addition, please note that the building will be kept at approximately 58 degrees, so come prepared to dress in several light layers while in the building.

Awards: In addition to Q and 1st – 4th place ribbons; we will offer the following awards:
