In the opening every obstacle may be taken twice for points. If you have enough points for your dogs level you may go to the table at any time. (table is worth 5 Before the horn sounds.) When the horn sounds **ALL the obstacles that are not single jumps are worth double points.** All obstacles reset(even 7 point tunnel) and the table which is normally worth 5 will be 10 as it doubles as well at the end when you stop your run. Have fun and hug your dog from me.
